This little book carries you a hearty welcome to the opportunities of Hollins College. The gates of the College stand wide open to receive you. We are eager to share with you the intellectual activities, the traditions and spirit of Hollins together with all the tangible and intangible values that go to make up the life of this College. But the College can not give you a single thing. You can get from college only what you seek with diligence, sincerity and intelligence.

I hope you will think of us not as teachers and officers who want to impose tasks and shut you in with restrictions but as friendly folk devoted to helping you to find out what your most fruitful capacities are and how to train yourself to be a better companion to yourself and a more useful person in your community all the days of your life. Believe we are interested in nothing so much as helping you to make the best of your chances.

The day you arrive at Hollins you become a member of a self-governing community, with the duties and responsibilities of citizenship. This citizenship is one of the most stimulating things Hollins has to offer you. It will make you more social, more co-operative and responsible in all your relations everywhere.

The most challenging, and I had almost said dangerous, thing you will meet at Hollins is the honor principle of student life. Study it. Through

the application of this principle in academic work and in social life you will grasp many of the searching problems of the next four years. At Hollins those who have come before you have developed a student government that makes effective the honor principle of freedom with responsibility in all departments of college life.

We welcome you to our College, and yours. We hope that you will increase more and more in the Hollins spirit till you come to love Hollins as we do.

Faithfully,

Your Dean,

MARY WILLIAMSON.

May, 1927.

## FOREWORD

---

THE Student Government Association of Hollins College is composed of all students, and is founded upon the principle of honor and self reliance. It purposes to represent and to further the best interest of the Student-body, to secure co-operation between the different organizations, and to promote responsibility, self-control, and loyalty among the students.

With such ideals the fundamental principle to be recognized is that of individual responsibility, not only for one's self but for the entire group. This necessitates a clear and comprehensive understanding of the ideals of a student group thus organized. It implies a recognition of the spirit as well as the letter of our laws, and a thoughtful and sympathetic consideration of all phases of student life. From this will follow an active co-operation, and a sincere interest in upholding the history, ideals, and spirit of our College.

Student Government holds itself responsible for taking action in regard to any conduct of its student members which injures the reputation of the College.

1. A student who receives callers or entertains guests at College is responsible not only for her own conduct but for the conduct of her guests.

- (c) Date and hour of departure from Hollins.
- (d) Date and hour of return to Hollins.
- (e) Name of chaperon with address (and phone number, if possible).

NOTE: If a student cancels her registration later than half an hour after her return to Hollins, she must write explanation for delay on back of her slip.

(4) Every student must fill out the registration and cancellation slips and put them in the box herself.

(a) In case a student discovers she has neglected to register, she shall telephone or telegraph at once the required registration information to the person in charge of social office. If this information is received before 6:00 P. M., no penalty will be incurred. As soon as student returns, she must fill out pink slip, explaining on back her negligence and stating time information was telephoned to office.

(5) A student shall telephone or telegraph to the Assistant to the Dean *any change of plans, intentional or otherwise*, before the time that her registration expires.

#### 6. Entertaining Men. (a) Calling.

(1) Callers are received regularly at College on Saturday evenings between the hours of 7:30—10:30; on Sunday afternoons from 3:00—5:45; on Sunday evenings from 8:30—10:00 o'clock.

(2) Students notify the Social Office of expected callers and *only* those so registered are received at regular calling hours.

(3) Unexpected friends from a distance may be received at other times at the discretion of the Assistant to the Dean.

(4) The Dean's Office reserves the right to make any changes deemed advisable in this system during the college year.

#### (b) Tea-House.

(1) Students may take lunch, dinner, or afternoon tea at Tinker Tea-House with men unchaperoned. On such occasions the student must be on campus at regular hour in evening. For later hours permission must be had from the Assistant to the Dean, and accurate note of this permission must be made in the Daily Register.

7. *Chaperonage.* Chaperons are required only for safety, to protect students from being misjudged and to safeguard the social good of Hollins.

(1) It is assumed that in all cases and everywhere students will act with sensitive regard to the spirit of the standards of Hollins.

(2) Students must report in person to the chaperon under whom they are registered and act only with her approval while in her charge. No chaperon may delegate her responsibility to another person, unless the chaperon be a parent.

(3) A list of chaperons is approved for driving to and from Roanoke from 7 A. M. to 6 P. M. for all students except Seniors; for Seniors 7 A. M. to 7 P. M. this list includes:—

(a) All faculty members and wives of faculty men.

(b) All parents for their own daughters.

(c) Graduates of Hollins who have been out of college two years.

Note: Graduates of 1926 at present approved are to be retained on this list.

(d) Other names placed on the list by the social office.

Note: A chaperon approved for a student or students for a special occasion is not thereby qualified as approved for this list.

The list of approved chaperons will be kept in the social office.

Chaperons must be registered when the student signs out.

(4) A student may go anywhere with her parents between 7 A. M. and 7 P. M. without obtaining special permission.

(5) There are no evening engagements in Roanoke unchaperoned.

(6) Chaperons are required for all dances, for over-night absences; for leaving College after 6 P. M., or for returning to College after 7 P. M., and for driving, except as elsewhere specified; for parties to the Cabin and for picnics.

(7) Students use taxis to go to and from the railroad station unchaperoned.

(8) Students use College cars unchaperoned unless the party is attending an entertainment, theater or social function in the evening, when a chaperon approved for the occasion is required.

(9) Dances and other College events at Lexington and Blacksburg.

A list of chaperoned guest-houses for College

events at Lexington and Blacksburg is published on the Dean's Bulletin Board. Special arrangement is made for students to register for these guest-houses without a College chaperon.

A student so registered may not go to other places unchaperoned. (For example, from Lexington to Natural Bridge.)

Students so registered are under obligation to act in all particulars with due regard to the standards and regulations of Hollins College.

8. *The Calendar of Social Events.* In order that two events may not conflict students planning parties or entertainments must consult the Social Calendar kept in the office of the Assistant to the Dean.

#### 9. *Our Dining Room.*

(1) At the beginning of each month students find in their Post Office boxes assignments for their places in the dining room. These assignments have been made in the social office entirely by a method of chance. A student is expected, for the sake of health and of good form, to attend meals regularly at the table she draws and to make her contribution to the comfort and pleasure of her table group.

On arriving at the college the student will be given a card introducing her to her faculty adviser. She should immediately consult the schedule of Freshmen Advisers' office hours on the bulletin board near the entrance of Main Building and make an appointment to see her adviser at the earliest possible hour.

# FACULTY RULINGS

## *Matriculation*

On arrival at College the student reports first to the Social office for assignment to her room. A first-year student is given at this time a card introducing her to her faculty adviser, with whom she must have an interview before reporting for matriculation.

Preliminary to matriculation, the student must secure a receipt from the business office, showing that she has complied with the initial requirements as to payments.

The student then reports to the Registrar for matriculation.

All students are expected to be present at the first chapel exercise, 7:00 p. m., Thursday, September 23d.

Those registering later than this must pay a registration fee of \$3.00.

The final day for completing matriculation is Friday, September 24th.

No student may take up or drop a course without written permission from the Registrar.

A student must complete a course in which she has failed to pass, unless permission to make substitution is granted by the Classification Committee.

## *Class Privileges*

No student shall be eligible for membership in

any class organization nor entitled to privileges appertaining to such class until officially informed of her class standing by the Registrar.

## *Hours of Work*

No student shall carry less than 13 hours (including Physical Education and music) nor more than 16 hours of work exclusive of Physical Education, except by special permission of the Classification Committee. In this estimate music, with one hour a day practice, is counted as 2 hours.

Freshmen must carry credit courses amounting to at least 12 hours (exclusive of Physical Education), including, for A. B. students, English, a science, a foreign language, and mathematics (if Latin is not taken).

Sophomores must complete a minimum of 27 hours toward the degree (exclusive of Physical Education).

as much as 18 hours of work. In such case she must resign all offices coming under the point system.

### *Grades*

*The grading system used is as follows:*

A .....	Excellent
B .....	Good
C .....	Fair
D .....	Passing
E .....	Failure with privilege of reexamination
F .....	Failure without privilege of reexamination

### *Honors*

In estimating honors a system of "merit points" is used as follows:

- 1 year-hour with grade A counts 3 merit points
- 1 year-hour with grade B counts 2 merit points
- 1 year-hour with grade C counts 1 merit point

For graduation with *High Honor* the student must receive 148 merit points, and for *Honor*, 124 points.

*Session Honors*—Merit points required for *High Honor*, 37, and for *Honor*, 31.

### *Scholastic Requirements for Certain Privileges*

A student who fails to make the required number of merit points or who makes below D on more than one subject on the semester grade is not eligible for a part in a play or for athletic

credit points in said following semester. A student who is deficient under this ruling may not try out for a part in a play.

Merit points required in applying the above rule. Freshmen, 9; Sophomores, 12; Juniors, one for every hour of work carried. Seniors, one for every hour of work carried. First year students to be eligible for athletic points before the end of the first semester must not be reported as unsatisfactory in more than one subject in the preliminary report of their work submitted at the end of the first month of the session.

Freshmen are not allowed to leave the College for dances or overnight visits during the first eight weeks of the session.

A student who fails in two subjects on the semester's report shall be required to resign all offices coming under the point system.

No student may be nominated for an office under 20 points (maximum during the year), who has failed to make one merit point for every hour of work that she is carrying or made below D on more than one subject on the semester immediately preceding.

No student may be nominated for an office of 20 points or more who has failed to make one merit point for every hour of work she is carrying or made below D on any subject on the semester immediately preceding.

A student who fails in two or more subjects during the first semester receives warning, and if she fails to complete 9 hours of work (exclusive of Physical Education.) She is excluded from the College.

Exceptions are made only for extraordinary reasons.

## REGULATIONS FOR ABSENCE FROM CLASSES

I. These rules are made by the Faculty and are administered by the Registrar. The Registrar has power to interpret all debatable matters that arise regarding the rules. Each student must keep her own record of absences, together with the date of each absence. This record must be presented to the Registrar in case of over-absence; each instructor must file with the Registrar daily a list of all absences from his or her classes during each day.

II. For the following reasons, a student may take as many absences as are deemed necessary by the Registrar.

1. Illness of student. (Excuses for illness must be accompanied by a doctor's certificate.)

N. B. Engagements with dentist and oculist are not classified as illness.

2. Serious illness or death of a member of the student's family.

3. College business, subject to the regulation concerning scholastic requirement for leaving campus.

III. In addition to these excused absences, a student is allowed 20 cuts during the school year, 10 cuts each semester. All laboratory work missed for reasons other than illness of the student, or serious illness, or death, of a member of the stu-

dent's family must be made up at the convenience of the instructor and of the student with a fee of one dollar an hour.

IV. Students who at any time are reported as unsatisfactory, shall, during the next two months of the school year be allowed no absences (except for reasons listed in Section II and for weddings in student's immediate family) in the subject in which they are reported as unsatisfactory. If a cut should be taken in an unsatisfactory class, the student must take a written examination for each cut with a fee of two dollars for each, and each of these cuts will count as two cuts.

V. If one of a student's unexcused absences is absence from an announced written lesson, the student receives a grade of F on that written lesson, without privilege of making up the missed lesson. An excused absence entitles a student to make up written lesson.

VI. If a student takes more than 10 absences during the first semester, she loses her cutting privileges entirely in all subjects for the remainder of the school year; if, during the second semester, a student takes more than 10 absences, her grade in each subject in which an over-absence occurs is lowered one grade letter. A student who over cuts must take a preliminary examination for each over-cut, and pay a fee of two dollars for each.

VII. No absences may be taken on the two days before vacations at Thanksgiving, Christmas, Founder's Day, and Easter, or on the two days before the mid-year examination period, or on the first two days of the second semester, or on the

first two days before the final examinations, except for serious illness of the student or in the student's family. Students absent from classes the two days immediately following the holidays at Thanksgiving, Christmas, Founder's Day, and Easter, will be required to pay \$5.00 for each class missed, and each cut will count as two cuts, except in case of serious illness of the student or in the student's family. A doctor's certificate is required stating the specific nature of the student's illness.

VIII. A student who absents herself from classes (or any one class) more than twenty-five per cent of the semester must repeat the semester's work, unless her professor recommends to the Registrar an acceptable plan by which the lost work may be made up.

IX. No student may attend another section of her class than her own.

X. No excuses for absence from class will be accepted unless presented at the Registrar's office within three days after termination of the absence.

XI. No illness will be regarded as an excused absence unless of at least twenty-four hours duration.

XII. Students participating in May Day will not have excused absences.

The Young Women's Christian Association of Hollins College declares its purpose to be, to live unreservedly Jesus' law of love in every relationship and so to know God. Through religious services, discussion groups and outside speakers the Association aims to create a distinctly religious and thoughtful atmosphere on the campus and to stimulate an active interest in problems of world interest.

The social service work consists in helping worthy families in the neighborhood of the College, in working with the county health nurse and in preparing Christmas boxes and a Christmas party for the children. The interest and help of all students of Hollins is needed to make this work effective.

The membership is voluntary, the only requisite being a sympathy for and interest in the purpose and aims of the Association. All meetings are open to both faculty and students whether or not they are members.

## PAN-HELLENIC ASSOCIATION

---

The Pan-Hellenic Council represents the governing body of the following national fraternities on the Hollins Campus:

Pi Beta Phi  
Delta Delta Delta  
Phi Mu  
Zeta Tau Alpha  
Gamma Bhi Beta  
Kappa Delta  
Chi Omega

The Council has established the precedent that no girl is eligible to a fraternity until she has completed her Freshman year. On this basis, the council urges that students during their Freshman year concentrate their interests on college activities and co-operate with it in fostering impersonal relationships.

# CUSTOMS AND TRADITIONS

---

That part of college life which makes it distinctive is its traditions. When you become a Hollins student you not only enjoy those customs which have been handed down by the long line that has gone before, but you have a share in adding to the traditions of your Alma Mater.

## THE Y. W. C. A. PARTY

On Saturday night, September 25, you will have the opportunity of meeting every one informally. Each year the Y. W. C. A. gives a party, the first student affair, to which every one is cordially invited to get acquainted and to have a good time.

## TINKER DAY

October, at Hollins, is a month of pleasurable suspense until Tinker Day is announced. On that day, the date of which is never known until that morning, all Hollins hikes to the top of Tinker Mountain for a day of fun. The Seniors serve a regular picnic lunch and each class gives a stunt. You can't afford to miss one of the best of Hollins' good times.

## THE HALLOWE'EN PARTY

On the night when witches spy and black cats rally, you will be invited to the Hollins' Hallowe'en party. It will be sufficiently spooky and exciting to delight every one.

The Freshmen have charge of the decorations which add so much to the occasion.

## THANKSGIVING DAY

To start this day off right, a beautiful and appropriate service is held in the Chapel in the morning. Then comes the big hockey game of the season played between the Odds and Evens. That night the athletic banquet is given in honor of the teams.

## CHRISTMAS PAGEANT AND CAROLS

At the time when every one is looking forward to going home, the pleasure is heightened by one of the loveliest events of the year. A Christmas Pageant is presented under the auspices of the Dramatic Board on one night preceding the Christmas holidays.

In the early morning of the day on which the vacation begins you will be awakened by the Choir with lighted tapers who will sing Christmas Carols beneath your window.

## WHITE GIFT SERVICE

One night preceding the Christmas holidays the Y. W. C. A. holds an impressive service at which each class presents a gift, an ideal which it will seek to realize.

## CHRISTMAS DINNER

On the last night before the Christmas holidays the dining room is lighted by candles on the snowy Christmas trees placed in the centers of the tables. Dinner on that night is a banquet of celebration.

## FOUNDER'S DAY

Perhaps the time when we come closest to the realization of what Hollins has meant and can mean is Founder's Day, February 21st. When the morning service is closed with the Founder's Day Hymn we are inspired with the consciousness that, "lifting our eyes to the mountains, we, too, are dreaming a dream."

## MAY DAY

Early May Day morning the Sophomore Class goes "a-Maying." As a result each Senior finds a May basket outside her door.

Before breakfast the children on Campus ("Peyton University") crown their queen under the blossoms of the dogwood tree.

In the afternoon the Hollins' May queen is crowned and a gorgeous pageant is given under the direction of Freya.

## CLASS SINGS

Each class has one day of the week on which it sings. At the ringing of the first triangle for lunch the class assembles on front campus and walks and sings class songs until the ringing of the last triangle.

## YEMASSEE-MOHICAN GAME

The second Saturday in March is the date of the big Yemassee-Mohican basketball game. Cheering your team on to victory is indeed exciting.

## HELPFUL HINTS

---

- (1) Never be late to anything.
- (2) Do not fail to bring your Catalogue and Handbook with you.
- (3) If you play tennis, bring your racquet; and if you like sports be sure you try for one of the teams.
- (4) Bring hammer, scissors, tape measure, and a knife.
- (5) Bring any pictures, pennants, or pillows that you may have, to make your room attractive.
- (6) Bring walking togs.
- (7) Bring two laundry bags—one for your room and one for the washer-woman.
- (8) Bring a white dress.
- (9) Learn the Hollins Songs.
- (10) This is a place to make friends, so don't play with one girl exclusively. There are 350 in college.
- (11) Begin well! Bad work the first semester may handicap you through the whole year.

## THE GREEN AND THE GOLD

(Words by Phoebe Hunter, 1909; music by  
Alma McConihay, 1910)

### I.

O fair maiden Spring, what hue will you bring  
To our cause from your own sunny sheen?  
You have brought for your part the hue nearest  
your heart,  
And spread Hollins' hillsides with green.  
And you, frosty Fall, the most brilliant of all,  
What color for us do you hold?  
You have laid your fair hand with its torch on our  
land,  
And set our trees flaming with gold.

### II.

The Green and the Gold, we have loved it of old,  
And to it we will ever be true.  
For the memory will last of the days that are past,  
And linger, dear Hollins, with you.  
For life, when we're young, is a song that is sung,  
And must pass as a tale that is told,  
But honor and praise, to the end of our days,  
We will render the Green and the Gold.

### III.

And still at the thought of the good she has  
wrought,  
Each heart must with gratitude thrill—  
So to Hollins we'll sing 'till the mountainsides ring,  
Our jewel of woodland and hill.  
There are true, loyal friends that our college life  
lends,  
And treasures of life manifold,  
And may kind fortune bless with eternal success  
Our Hollins, the Green and the Gold.

## FOUNDER'S DAY HYMN

(Words by Miss Loulie A. Snead. Music by  
Prof. Erich Rath)

### I.

Where are the dreams of the dreamer?  
Roseate they flashed in the dawn,  
Instinct with promise of sunrise,  
Of service to ages unborn.  
Eager and restless and honest,  
Daring, aspiring, and bright—  
Where is the vision? 'Twas holy;  
Can it be lost with the night?

### II.

We are the dreams of the dreamer.  
Think you his vision could fade?

Saw you his eyes as he journeyed?  
Know you the price that he paid?  
Ours the fruition of gladness  
Ours the light and the gleam—  
Lifting our eyes to the mountains  
We, too, are dreaming a dream.

### III.

Guard you the dreams of the dreamer,  
Quiet the ways that he trod.  
Held in its chalice of mountains  
Hollins lies open to God.  
Simple and earnest and daring,  
Friendly and quiet and true;  
Such was the dream of our Founder,  
Such was his ideal for you.

---

H-o-l-l-i-n-s, Hollins, rah!  
Our Hollins College, we'll sing to you,  
Pride of Virginia's land.  
We love you, yes, we do, dear Hollins,  
Long may we cherish thee, love and adore  
Sing, praise and honor, forevermore.

---

To the mountain peaks we lift our eyes  
And our hearts grow strong and free  
The clouds that drift in Hollins' skies  
Bring visions of dreams yet to be  
With a glorious hope and strength of you,  
Oh spirit of Hollins, make us true!

The golden sunshine glistens above  
And the fields are bright with flowers  
Our hearts are singing with joy and love  
In a world full of happy hours  
Live in our hearts forevermore,  
Oh spirit of Hollins, we adore.

---

Hollins is our ideal  
Memory immortal  
Echo of golden days  
Through tradition's portal  
Soft her spirit is always bringing  
Courage strong in its flight to me  
We will ever sing her praise  
Hollins is our ideal  
Of the happiest days

### LEVAVI OCULOS

(Words by Dorothy Sheffey Baldwin, '28  
Music by Mary Atkinson, '25)  
(Hollins Prize Song 1924-1925)

#### I.

O Hollins, in the first clear, golden days  
Of youth, we feared the hills that shut us round.  
And loved the easy, pleasant, valley ways,  
And meadows of green grasses, flower-crowned.

#### II.

We trod the beaten path that others made,  
And did the worn-out things that others do,

And neyed knew that we were half afraid  
To follow in the footsteps of a few.

III.

But you reached out and took us by the hand,  
For you are old and you are very wise,  
And turned us to the hills, and made us stand,  
Spoke, and said to us, "Lift up thine eyes."

IV.

Now we have left the lazy road that lies  
In pleasant valleys, and have sought the heights,  
For we have lifted up our startled eyes  
And seen the mountain gold with sunset lights.

---

Now raise a cheer that will echo loud for Hollins  
dear

Lift your voices high we will do or die  
Singing praise of the Green and Gold  
As free as her guardian mountains  
As true as her skies of blue  
Our hearts and our voices joining  
Hollins in praise of you.

*Chorus*

So we'll cheer for our College dear,  
Hollins for you.  
We'll fight each one of us,  
We love you, yes we do, dear Hollins.  
Long may your praise resound  
From, far and near, so we'll fight, fight, fight, fight  
For Hollins dear.
